## CÔTES DE PROVENCE ROSÉ 2021

Tracing its roots back to 1912, Domaines Ott wines represent the best of Provence: beauty, heritage, and unsurpassed character. Today, fourth-generation winemaker Jean-François Ott produces BY.OTT with grapes grown without the use of chemical fertilizers, pesticides, or herbicides, respecting both the environment and the Provençal tradition—a nod to founder Marcel Ott's enduring legacy.

BY.OTT is a wine produced with all the savoir-faire of the Domaines Ott team in the newly-constructed cellar of Château de Selle. It is a refined and elegant wine for any rosé enthusiast. The blends originate from select vineyards in Côtes de Provence that have been chosen to ensure that the wine is characterized by fruit and freshness with added finesse and complexity.

### WINEMAKING

BY.OTT Côtes de Provence Rosé is primarily sourced from Château de Selle and Clos Mireille (80%) and balanced with fruit from trusted vineyards established generations ago. Ott vineyards are farmed organically and the average age of vines is 22 years.
