

ESTATE WINES

Balance & Purity

FAMILY-OWNED | ESTATE-GROWN

Domaine Anderson is tucked in the hillsides of Northern California's Anderson Valley. The cooling marine layer that is characteristic of this region provides ideal conditions for the cultivation of pinot noir and chardonnay grapes on its own 50-acre vineyard.

Domaine Anderson's 100% estate-grown wines are crafted with precision and minimal intervention in order to best express the uniqueness of the terroir. The winery's commitment to land stewardship and sustainable practices extends to each of its vineyards, including a rotating calendar of crops and livestock integral to the certified organic and biodynamic Dach vineyard.

Domaine Anderson *Estate Pinot Noir 2017*

"Darrin Low joined Domaine Anderson in 2016, his winemaking career including ten years at Flowers, on the far Sonoma coast. Low was responsible for blending this wine... All estate grown, most of this fruit comes from the Dach Vineyard in Philo, the 17.5 acres surrounding the winery having been farmed under biodynamics since 2014 (Demeter certified in 2016); the balance comes from Walraven, in Boonville, and three estate vineyards surrounding the Scharffenberger and Roederer Estate wineries." *WineSpirits*

92
POINTS
vinous

The 2017 Pinot Noir Estate is a barrel selection taken from all three estate vineyards, but built on a core from Dach, which resembles in its earthy, savory profile. Crushed flowers, mint, pine, iron, dried autumn leaves and mineral notes are laced throughout this finely-cut, slightly nervy Pinot. Sweet floral notes add the closing shades of nuance. - Antonio Galloni

Domaine Anderson *Estate Chardonnay 2018*

Domaine Anderson's 13.7 acres of chardonnay vineyards span from the warmer, up-valley Boonville area to the cooler regions closer to the Mendocino coast. They reside on the valley floor, gently sloped knolls, steep hillsides, and offer soils ranging from rocky, river gravels to the finest clay loams. Domaine Anderson's chardonnay is made from grapes sourced exclusively from its own Anderson Valley vineyards, giving the winery complete control over farming practices and stewardship of the land.

"Darrin Low blends this chardonnay at Roederer Estate's still-wine project, using estate-owned parcels, including sites in Boonville and others farther northwest toward the coast. It's overtly smoky at first, with fleshy pear flavors under the influence of oak. The wine opens toward sunny fruit and silky textures, ready to decant for grilled mackerel or bluefish." *WineSpirits*
- Josh Greene

92
POINTS
WINEENTHUSIAST

Nutty, toasty, buttery aromas meld beautifully with rich pear, cream and butterscotch flavors in this well-rounded, concentrated and layered wine. Its richness and complexity are enhanced by an underlying lively acidity for excellent balance. - Jim Gordon

92
POINTS
WINEENTHUSIAST

This full-bodied wine is deep and flavorful, topping black-fruit flavors with layers of complex black-tea and forest-floor accents. The mouthfeel is broad but grippy, showing moderate tannins and good acidity. Best through 2027. - Jim Gordon

WINE READER

The pale ruby colored 2017 Pinot Noir offers scents of tar, blackberries and smoked cranberries with earthy undertones and a touch of dried orange peel. The palate is light-bodied with spice and earth-laced flavors, fresh, soft and nuanced with a long finish. 3,040 cases produced. - Erin Brooks
