BRUNELLO DI MONTALCINO 2016

**#2 TOP 100
WINES OF ITALY
2020**

**99
points**

"The complexity and beauty to this is really something with cherry, walnut, tobacco and cigar-box character. Sweet cherries. It's full-bodied and deep with super intensity and power. Layered and beautiful. Really refined tannins. Some whole-berry fermentation gives this added character. Goes on for minutes. Try after 2025."
