**2018 Niagara Peninsula Gold Vidal Icewine** Inniskillin's 2018 gold-label vidal ice wine stands out for the freshness of its flavors—with bright lemon, juicy peach and fresh date notes that add dimension and clarity to the darker tones of beeswax and baked pear. It is, in fact, very easy to drink despite its 240 grams per liter of sugar; some hard biscotti might help you pace yourself. *Reviewed by Tara Q. Thomas.*
