

LOUIS ROEDERER'S VINEYARDS

- "LA MONTAGNE" ESTATE
- "LA CÔTE" ESTATE
- "LA RIVIÈRE" ESTATE
- VILLAGES WHERE THE LOUIS ROEDERER VINEYARDS ARE LOCATED
- LOUIS ROEDERER PRESSES

Each plot is cultivated and vinified separately, so that each unit of vines corresponds to a unit of taste. This plot-based approach allows us to express the typical character of the soil and the climate, the primary identity of the grape. Roederer's vats are sized according to the size of the plot, so that each vineyard entity - the 410 plots - fits exactly into each of the stainless steel or French oak vats.
